

Tree of Life: A Fund for New Play Development

Golden Thread's **Tree of Life** campaign is inspired by the Wishing Trees frequently encountered in the Middle East symbolizing the continuity of life from our ancestors to future generations. An inspiration to the design and story of our 2011 season-opener, NIGHT OVER ERZINGA, the **Tree of Life** campaign has evolved into Golden Thread's **Fund for New Play Development** offering an opportunity for individual donors to be a part of every world premiere. The 5-foot **Tree of Life** bearing family names and dedications from donors like you will be on display in the theatre lobby during Golden Thread's main-stage productions. Partner with us in bringing untold stories and vital alternative perspectives of the Middle East to the American stage.

Tree of Life Donation Levels: donors' name will be engraved on the tree element at the levels listed below

- \$5,000 **Roots** The Foundation, what everything else is built on (4 opportunities)
- \$2,500 **Branches** Reaching to the future, building on a strong foundation (7 opportunities)
- \$1,000 **Stems** Extending our reach in multiple ways (9 opportunities)
- \$500 **Leaves** Spreading out into the world (many opportunities)
